AN Act to appropriate certain Sums of Money for the purposes of Immigration and Public Works. Title.

[31st October, 1876.]

MOST GRACIOUS SOVEREIGN,—Whereas by the several Acts of the General Assembly mentioned in the First Schedule to this Act certain sums of money, amounting in the whole to the sum of eleven million five hundred thousand pounds, have been authorized to be raised by loan; and by the said Acts, and by the several Acts mentioned in the Second Schedule to this Act, various sums of the moneys so to be raised have been authorized to be issued and applied to the several works and services mentioned in the said Acts and the Schedules thereto; and various sums of money, amounting in the whole to the sum of nine millions four hundred and twenty-eight thousand eight hundred and twenty-nine pounds nine shillings and ninepence, have been so issued and applied as in the third column of the Third Schedule to this Act set forth: And whereas it is expedient that the unexpended balance of the moneys so authorized to be raised, together with other moneys in the Fourth Schedule mentioned, should be appropriated for carrying on the said works and services:

We, your Majesty's most dutiful and loyal subjects, the House of Representatives of New Zealand, in Parliament assembled, have resolved to grant unto your Majesty, towards making good the Supply

Immigration and Public Works Appropriation.

which we have cheerfully granted to your Majesty in this Session of Parliament, the sums hereinafter mentioned, and do therefore most humbly beseech your Majesty that it may be enacted, and

BE IT ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—

Short Title.

1. This Act shall be called "The Immigration and Public Works Appropriation Act, 1876," and shall be deemed to have been in operation on and after the first day of July, one thousand eight hundred and seventy-six.

Money to be kept in one account, called "The Public Works Account."

2. The several Ways and Means mentioned in the Fourth Schedule to this Act, and all moneys which may come to the credit thereof, shall be kept in one account, to be called "The Public Works Account."

Grant of £2,032,286 6s. 3d.

3. Towards defraying the expenses hereinafter mentioned, the Colonial Treasurer may issue and apply any sum or sums of money not exceeding in the whole the sum of two million thirty-two thousand two hundred and eighty-six pounds six shillings and threepence out of the several Ways and Means mentioned in the Fourth Schedule to this Act.

Appropriations.

4. All sums so issued shall be applied, as mentioned in the several votes set forth in the Fifth Schedule to this Act, towards defraying so much of the expenses incurred or to be incurred in the several works and services in the said Schedule mentioned as shall come in the course of payment during the financial year ending the thirtieth day of June, one thousand eight hundred and seventy-seven, and to no other purpose whatsoever.

Issue to temporary general account.

5. Whenever it is not possible to determine at the time of payment to which particular vote mentioned in the Fifth Schedule hereto the cost of any material or other expense should be charged, the Colonial Treasurer may notwithstanding issue and pay the same out of the several Ways and Means mentioned in the Fourth Schedule hereto: Provided that he shall from time to time carry each such payment to and charge the same against the vote on account of which such payment was made, so soon as the same can be ascertained: Provided also that all such expenditure shall be included in and shall not be in excess of the total sum hereby authorized to be issued and paid under each vote in the Fifth Schedule mentioned.

Proviso.

Power to alter votes. Unauthorized expenditure.

6. Nothing in this Act shall limit the authority of the Colonial Treasurer to issue and pay any moneys which he may be otherwise authorized to issue and pay under the authority of the thirtieth section of "The Public Revenues Act, 1867," or of the fourteenth section of "The Public Revenues Act, 1872."

Wharves in Borough of Greymouth vested in the Crown upon certain terms.

7. All wharves and quays within the limits of the Borough of Greymouth, together with all extensions thereof or additions thereto, shall be and are hereby vested in Her Majesty the Queen upon such terms as have been or shall hereafter be agreed upon between the Council of the said borough and the Minister for Public Works.

All wharves and quays affected by the operation of this enactment shall be and be deemed to be wharves and quays within the meaning and subject to the provisions of "The Marine Act, 1867."

Power to levy wharfage and other rates, also vested in the Crown.

The powers and authorities to levy wharfage and tonnage rates, or any other rates fees or dues which now are or heretofore were vested in the said Council, under or by virtue of "The Greymouth Quays Act, 1869," or any other Act authorizing the levying of such rates fees or dues, shall be and are hereby vested in Her Majesty the Queen; and all such powers and authorities may, on behalf of Her said Majesty, be exercised by the Minister for Public Works for the time being in accordance with and subject to the terms of any such agreement as aforesaid.

Immigration and Public Works Appropriation.

8. And whereas the Colonial Treasurer has, under the authority of the fourteenth section of "The Public Revenues Act, 1872," issued from the Public Account, during the year ending the thirtieth day of June, one thousand eight hundred and seventy-six, moneys in excess of or without the appropriation of Parliament, amounting in the whole to sixty-three thousand eight hundred and seventy-five pounds eleven shillings and eightpence, and has applied the said sum to the several purposes and services mentioned in the Sixth Schedule hereto annexed: Be it enacted that the application of the said sum is hereby sanctioned.

Indemnity.

9. Notwithstanding anything contained in "The Public Revenues Act, 1875," the agents appointed thereunder, or any two of them, may, upon the request of the agents in Great Britain appointed to raise and manage any loan authorized by any of the Loan Acts mentioned in the First Schedule hereto, out of any moneys so raised repay any advances which have been made upon the security of debentures issued under the said Loan Acts, or any of them.

Advances obtained on security of debentures may be repaid.

The power hereby given shall be deemed to have been in force in respect to any repayments so made before the passing of this Act.

10. The Governor, on behalf of Her Majesty the Queen, may assign or otherwise transfer to the County of Thames any mortgage or other security, or agreement for such mortgage or security, held by or on behalf of Her Majesty for the purpose of securing the repayment of moneys advanced to the Province of Auckland under Part V. of "The Immigration and Public Works Act, 1874."

Governor may assign or transfer mortgage or other security to County of Thames.

Any such assignment or transfer may be made to the Council of the said County, and shall be held by it as part of the property of the County.
