The provisions of section forty-five of "The Mining Act, 1898," in respect of laying off and leasing sections in mining townships and suburban sections, and of section one hundred and seventeen of the same Act in respect of business-site licenses and residence-site licenses, shall not apply to the said lands.

3. The Board is hereby empowered to lease in its own name the said lands, or any portion thereof, for any term not exceeding twenty-one years, upon the following terms and conditions :—

(1.) The land proposed to be leased shall be thrown open for selection by public notification, and in the event of there being only one applicant for such land he shall be entitled to have a lease thereof, subject to the conditions upon which such land shall be thrown open for selection, and subject also to the terms and conditions contained in the subsequent provisions hereof.

(2.) In the event of there being more than one application for such land the lease thereof shall be submitted to public auction, at an upset rental to be fixed by the Board : such upset rental shall be the valuation of such land without improvements, and the highest bidder shall be the lessee.

(3.) The auction shall be conducted by such person and at such times as the Board shall direct.

(4.) The lease shall entitle the lessee to the surface only of the ground, and shall not confer on him any right to prevent mining operations being carried on by other persons beneath the surface, subject to provisions to insure the safety of buildings and erections and to prevent injury to the surface.

4. In any case where land is about to be leased and there exists thereon buildings or other *bonâ fide* improvements erected or made by any person in lawful occupation under a lease, or by any person whose lease has expired, the said person making such improvements, or his executors, administrators, or assigns, shall be entitled to valuation for such buildings and improvements ; such valuation to be ascertained in the manner and to the extent following, that is to say,—

In the event of such valuers being unable to agree they shall appoint an umpire, whose decision shall be final and conclusive. The fees to be paid to the valuers and umpire, if any, shall be charged to the owner of the said buildings and improvements :

The lessee shall, within fourteen days after being declared the lessee, pay to the Board the amount of such valuation, and the Board may pay the same to the person or persons entitled thereto without being liable to refund the same or any part thereof.
