4. It shall be and be deemed to have been lawful for the Council to utilize the unexpended balances of the following loans, namely: The Wellington City Unemployment Loan, 1930 (balance, thirteen thousand six hundred and sixty-three pounds), and the Wellington City Unemployment Loan, 1929 (No. 3), (balance, one thousand seven hundred and eighty-three pounds), for any public work whatsoever heretofore or hereafter undertaken by the Council for the relief of unemployment:

5. It shall be and be deemed to have been lawful for the Council to apply unexpended loan-moneys of two unemployment loans for any public work undertaken for the relief of unemployment.

Provided that the Local Government Loans Board, having regard to the probable duration and continuing utility of such public work, may, if it thinks fit, require the Council to make, in addition to provision already made in that behalf pursuant to the Local Government Loans Board Act, 1926, such provision as the Board directs with respect to the repayment of such loans as aforesaid; and if the Council fails to make such additional provision, moneys expended pursuant to this section shall be deemed to have been unlawfully expended.

5. The balance unexpended at the passing of this Act, amounting to nine thousand one hundred and forty-five pounds, of loan-moneys of the Wellington City Public Conveniences Loan, 1927, may, notwithstanding any restriction affecting the application of such loan-moneys, and notwithstanding the fact that the whole of the works included in the proposal for the said loan have not been carried out, be applied for the construction of any public conveniences in the city.

(2) The Council shall in the month of December, nineteen hundred and thirty-two, in respect of the financial year ending on the thirty-first day of March, nineteen hundred and thirty-two, and in the month of April in each succeeding year in respect of each financial year following, pay into a separate banking account, to be termed the Milk-supply Selling-price Stabilization Reserve Account, such proportion as the Council shall pursuant to the provisions of this section appropriate in respect of each financial year.
