Title.

AN ACT to authorize the Raising of a Loan by the Borough Council of West Harbour in discharge of a Debt due to the Waikouaiti County. [6th November, 1884.]

Preamble.

WHEREAS on the apportionment of the debts and liabilities of the original County of Waikouaiti, between the said county and the Borough of West Harbour, on the severance of the said borough from the said county, an award was made under section thirty-three of "The Municipal Corporations Act, 1876," allotting the sum of eight hundred and forty-seven pounds nine shillings and sixpence as the liability due by the aforesaid borough to the aforesaid county at the time of such severance; and a further sum of two hundred and three pounds and eight shillings has accrued since that time by way of interest on the sum first mentioned, and is now due by the aforesaid borough to the aforesaid county; making in the whole a total sum of one thousand and fifty pounds seventeen shillings and sixpence due as aforesaid:

And whereas doubts have arisen whether the Borough Council of the Borough of West Harbour have heretofore exercised the powers of section one hundred and forty-eight of the Act hereinabove mentioned, whereby it could raise a loan in discharge of the said debt; and such doubts cannot be set at rest by reason of the wilful destruction of the account-books of the said Borough Council by the late Town Clerk of the said borough:

And whereas the aforesaid total sum has not been paid, and it is expedient to enable the Borough Council aforesaid to discharge the aforesaid debt:

BE IT THEREFORE ENACTED by the General Assembly of New Zealand in Parliament assembled, and by the authority of the same, as follows:—
